Re: MaSSCorp, An Association of Domino's Pizza Franchisees

MaSSCorp is an Association of Domino's Pizza Franchisees that provides comprehensive insurance and risk management programs to its members.

The program includes insurance coverage for: Primary Drivers Insurance Program; Non-Owned and Owned Automobile Liability; Property and General Liability; Workers' Compensation; Employment Practices Liability Insurance (EPLI), and Umbrella Coverage beyond the 1.5 million dollar minimum requirement of Domino's Pizza LLC. In addition to the insurance benefits, MaSSCorp provides a MVR Service, Loss Control and Claims Management.

The insurance products and risk management services provided through MaSSCorp meet all Domino's Pizza LLC requirements and provide a complete insurance package from one source. The insurance carrier used is Fireman's Fund Insurance Company; a nationally recognized company with an A. M. Best Company rating of A+ XV (superior) and a Standard and Poors rating of AAA (extremely strong).

MaSSCorp programs also include health insurance and other employee benefits.

You have many choices for your insurance needs. We suggest that as part of your evaluation of your business insurance needs, you contact MaSSCorp and have them explain the benefits of participating in MaSSCorp programs.
