

MaSSCorp's Safety and Loss Control Expertise

MaSSCorp insures peace of mind to Domino's Pizza Franchisees by providing comprehensive safety and loss control services, Motor Vehicle Records and cost-effective store insurance for over 20 years.

MaSSCorp provides a Program Handbook that includes detailed information on safety and loss control to help improve a franchisee's safety track record. Learn how to reduce claims and costs by preventing losses and complying with corporate safety requirements.

Become a MaSSCorp member to receive the benefits of our safety and loss control expertise.

Safety and loss control program highlights

- **Equipment**
MaSSCorp provides guidelines on what safety equipment the franchisee needs to provide, how to maintain it properly and tips on best places to store fire extinguishers, first aid kits, non-slip mats and more.
- **Safety and Training Guidelines**
The safety program includes tips for electrical and chemical safety and food storage. MaSSCorp also provides crew training programs and tests to keep your employees up to date on safety.
- **Fire Prevention, Emergency Action Plans & Accident Reporting Kits**
MaSSCorp provides a Safety Handbook, emergency action plans and other tools to keep your franchise safe.
- **Accurate Documentation**
MaSSCorp provides detailed instructions on how to keep accurate documentation so that your insurance, training and inspection forms are kept current in your records.
