

## Employment Practices Liability Insurance

---

Do you know anyone that has had a claim or suit brought against them because of sexual harassment, wrongful termination or employment discrimination? Regardless of its size, your company needs to be protected against employment practices liability exposures. MaSSCorp is proud to offer its members Fireman's Fund Employment Practices Liability Insurance (EPLI) designed to meet the needs of your company.

An EPLI policy provides insurance for Judgments, Settlements, and Legal Fees for Employment Practices Liability claims that you might have.

Employment Practices Liability Insurance (EPLI) will cover claims arising from:

- Wrongful Termination,
- Harassment,
- Coercion,
- Humiliation,
- Discrimination,
- Refusal to employ an applicant,
- Failure to promote,
- Retaliatory acts,
- Demotion, evaluation, reassignment or discipline,
- Libel and Slander,
- Mental Anguish and emotional distress,
- Mergers, acquisitions, and downsizing.

Fireman's Fund is proud to present its AGOSNET program to its EPLI customers. AGOS is a national risk management company with an emphasis on helping employers manage and prevent employment exposures through proactive risk management by providing:

- ✓ Online library of articles – management briefs on workplace topics
- ✓ Best Practices Risk Management Line – gives access to consultations with experts who provide proactive, effective information and strategies for preventing or managing your workplace risk.
- ✓ Model Workplace Policies and Forms
- ✓ Sexual Harassment Prevention Training is available to all insured supervisors and managers via the internet through SmartTain.com
